

NURSERY IN A BOX
Just Add Kids!

Product Guide

Nursery In a Box

Introduction

Our Mission

Our mission is to free nurseries and preschools from administration work so they can focus on providing the best education for children.

All-in-one platform

An all-in-one childcare management system that simplifies admin tasks enhances parent communications, improves classroom operations, promotes business efficiency and better staff management. You can be assured everything is synchronised, streamlined, and in one place.

World-class support

Enjoy peace of mind knowing you have reliable assistance whenever needed, allowing you to focus on delivering outstanding childcare with an easy-to-use system designed for simplicity, ensuring smooth operations for owners, managers, staff and parents.

Business & Finance

Streamline your admin

Nursery In a Box provides intelligent, easy-to-use software that simplifies and streamlines your admin, allowing you to focus on what truly matters: looking after children.

Maximise Revenue

Smart insights & a powerful billing engine to help you maximise your efficiency, grow your revenue and reduce operating costs. Simplify your invoicing, automate funding shortfalls and maximise your revenue.

Improve Efficiency

Nursery In a Box improves efficiency in your childcare business by streamlining admin tasks and implementing a digital childcare management system to reduce paperwork and free up time so you can focus on care and education.

Staff

HR & Payroll

Efficient time & attendance

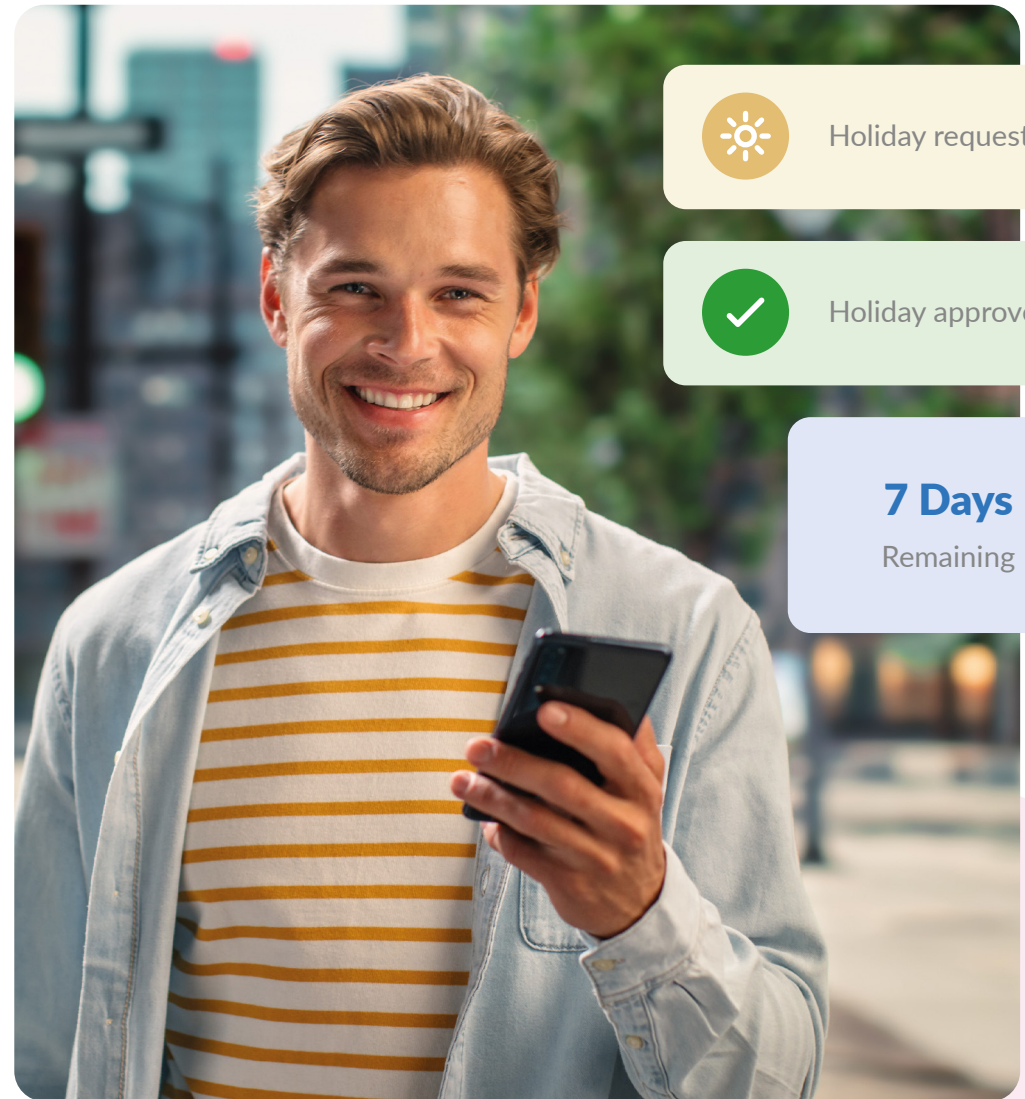

Simplify shift sign-ins with the digital check-in app. Managers can schedule staff rotas, monitor attendance and handle time-off requests seamlessly. Nursery In a Box ensures your nursery is always efficiently staffed and compliant with HMRC.

Simplify your payroll

Nursery in a Box eliminates manual tasks and simplifies timesheets, holiday requests and absences, ensuring smooth team scheduling and keeping your payroll information accurate & up-to-date.

Recruitment made easy

Track and manage your recruitment process from interview to acceptance with online job application forms embedded directly in your website, social media and job boards so you can manage everything in one place with Nursery In a Box.

Classroom Management

Stay compliant with ratios

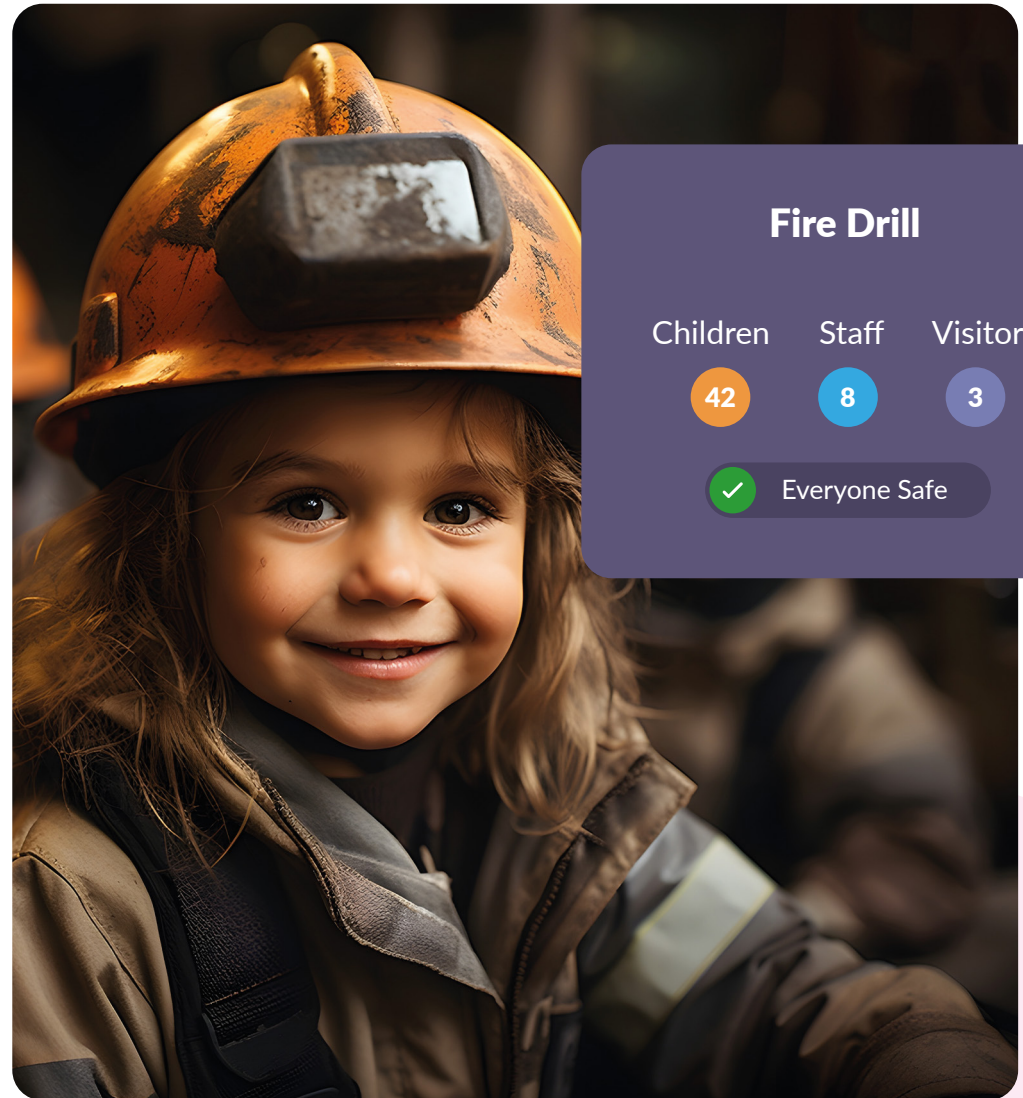

Nursery in a Box simplifies Ofsted compliance, allowing teachers to manage ratios and attendance effortlessly. Our automated system saves time, reduces stress and enhances overall efficiency.

Easy parent communications

Nursery in a Box ensures seamless interaction with parents, enhancing trust and confidence in their child's well-being and educational journey.

Simple to observe & assess

Nursery in a Box transforms classroom observations, simplifying assessments, saving time and improving engagement.

Parents App & Newsfeed

Enhanced communication

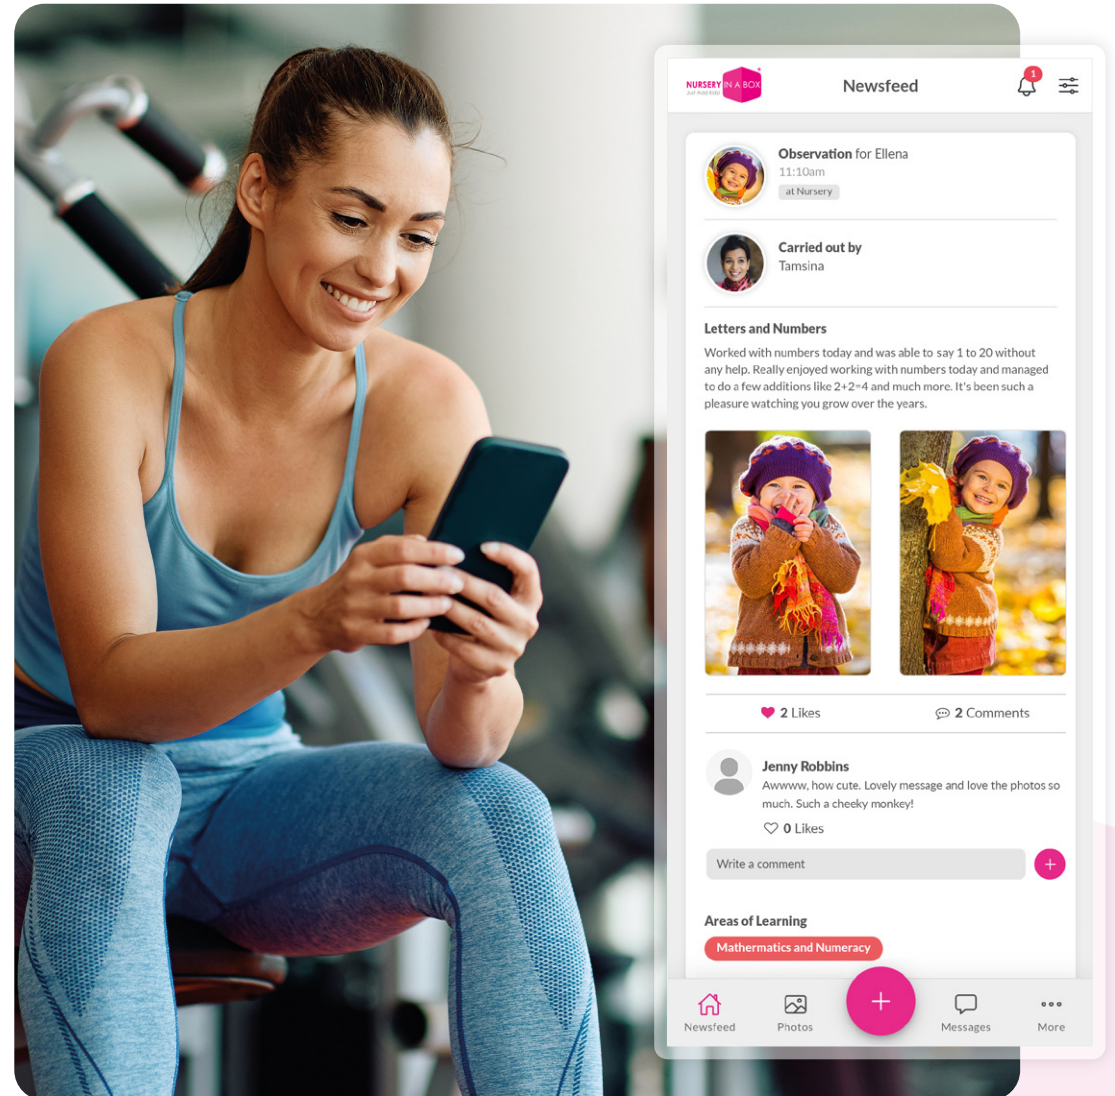

We help you communicate clearly with parents through timely updates and instant notifications, building trust and confidence in your childcare business. Stay involved effortlessly to enhance your children's learning journey.

Convenient to pay in-app

Parents can quickly pay within the Parent App, simplifying payments for everyone. No more stress chasing payments or expensive card fees.

Keep magic moments forever

Nursery in a Box lets parents easily follow their child's progress. Parents have access to all photo and videos with everything available to download and keep those magic moments forever.

World Class Support

Experience matters

Drawing from more than 20 years of childcare expertise, we are delighted to assist you in maximising your Nursery In a Box experience. Your satisfaction is our priority.

Unlimited support

Stuck or have a question? Our support team is just a call, ticket or email away. Get instant solutions, ensuring you're always supported every step of the way.
